PATTY & VASCO

al Vesco Royal

Il "Bad boy" nazionale espone ai lettori di 60 perché vive la parte di pentito con una cattiva reputazione. Proprio come Patty Vasco, il "Bad girl" del pop. O lui ha prodotto il nuovo disco. In anteprima, un amore a tempo di musica.

Il Vesco Royal ha un'atmosfera che si respira in ogni suo canto. È un disco che si ascolta e si canta insieme. È un disco che si ascolta e si canta insieme. È un disco che si ascolta e si canta insieme.

What? I was married.

Comedian, author, and film critic Anne Lamott is back with her latest, *Stitches*. This is a collection of essays, including one about her marriage. **What's your favorite Lamott book?**

***Small Comfort*?**
It's a good collection, but the one that's most important to me is *Stitches*. It's a great piece of art. It's like the perfect book where you're reading and you're also thinking about what you're reading.

What's the best advice you've ever received? It's a good question.

It's to be a good person.
